

D150

SOFT SERVE & FROZEN DRINK MACHINE

The D150 is the smallest and lightest commercial soft serve machine in the world. With a simple, user friendly, and compact design, the D150 brings soft serve capability to any location. The D150 utilizes automatic consistency control for smooth and creamy product with every serving.

Features

- Self-contained air cooled countertop model
- Smallest footprint in the industry for a commercial soft serve machine
- Serves frozen yogurt, sorbet, custard, soft serve ice cream, gelato, and frozen slush products
- Refrigerated hopper for faster recovery times
- 14-18 minute typical freeze time to first dispense frozen product
- Automatic consistency control for easy operation
- Direct drive motor for reduced noise
- Dishwasher safe components for easy cleaning

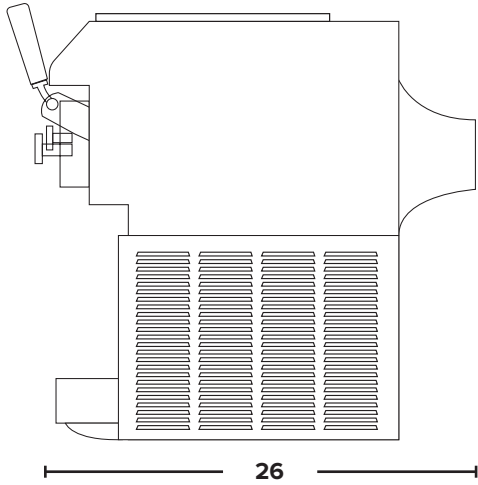

*The D150 is manufactured for Donper USA by a third party.
