CRUISER II

Love the rich, warm sound of vinyl, but wish it was a more moveable music format? Put down the iPod and mobilize your music with the Crosley Cruiser three-speed portable turntable. Constructed of wood and bound in a leatherette material, the briefcase-styled record player is lightweight and easily transported from place to place. It features built-in stereo speakers so you can listen to your music without having to connect it to a speaker system. And battery power makes for true freedom - never be tethered to an outlet again! Cruise over to a friend's house and experience vinyl's superior sound together.
