The other carton will include the insert, a decal, six clowns, six hinge sets, six sleeve supports, twenty-four #8-32 screws, twenty-four #8 nuts, two brackets, and three beanbags. Unpack all cartons and check thoroughly for any damage, which may have occurred during transit. Damage claims should be filed immediately with the transportation company.

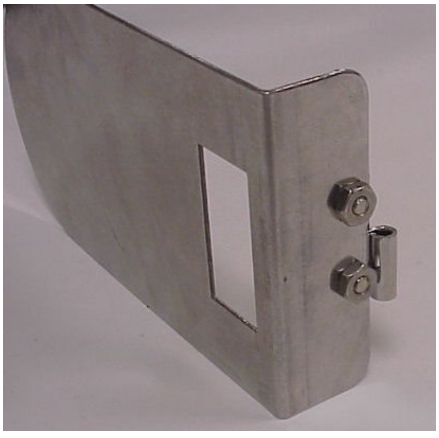

ASSEMBLY

Step 1. Assemble legs to the SIX CATS base by inserting the tapered ends of the leg into the tapered holes on the underside of the game base.

Step 2. Attach the barrel portion of the hinge, as shown below, to the sleeve support using the short #8-32 screws and nuts. Complete all six sleeve supports.

Step 3. Next, attach the remaining half of the hinge with the pin to shelf on the insert using the longer #8-32 screws as shown below. Repeat for all remaining hinges.

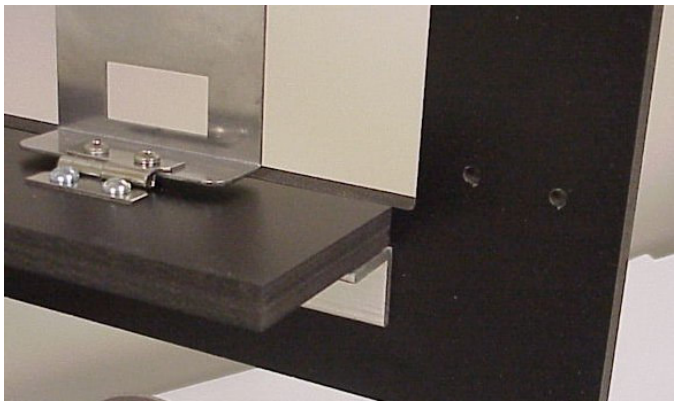

Step 4. Now slide the assembled clown hinge into the barrel of the hinge on the shelf.

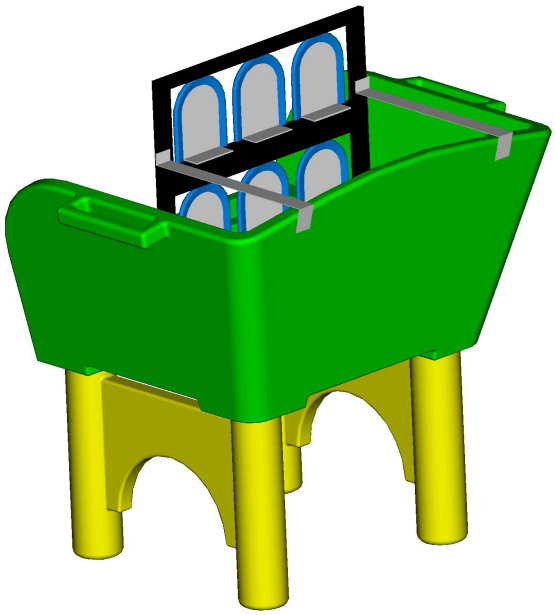

Step 5. Slip one of the six clown sleeves over one of the sleeve supports and fasten the snap through the rectangular cut-out in the sleeve support. Repeat for all six clowns.
