REDUCES

CROSS- CONTAMINATION

Easy hands-free operation makes it unnecessary to touch the roll of paper towels, thus reducing the risk of cross-contamination.

CREATES

LESS WASTE

By dispensing towels in perforated increments, the user is encouraged to take only what is needed. Any excess towels are automatically retracted.

QUICK

NO INSTALLATION REQUIRED

Portable and easy to carry.
Take it anywhere!

EASY

LOADING

Paper towel rolls are easily placed within the dispenser, requiring no disassembly. Most standard household paper towels can be used.
